

## **The Jester's Garden Quest: A Storytelling Adventure Workshop**

Join the Jester of Balingup for a playful storytelling adventure through the magical Food Forest. In this interactive workshop, the Jester leads children on a journey of rhyme, riddle, and wonder inspired by *The Quest for Bumble Bear*. Together, we'll explore the secrets of the garden in the Noongar season of Makuru, dress up in wild costumes, and uncover hidden treasures of nature. With every laugh, rhyme, and game, we celebrate community, teamwork, and the joy of the natural world.

**Cherry Bomb** is a spirited wanderer, a Jester from *The Silly town Circus*, join her as she blends storytelling, song, dance, and nature play to create magical adventures for children.
